

Sankofa EcoVillage (SEV)

Founding Member Application

This is an application used to screen and select **Founding Members of Sankofa EcoVillage (SEV) Homeowners Association**. The information requested will enable us to give you every consideration as a potential Founding Member.

Name: _____

Tel: _____ FAX: _____ Email: _____

Mailing Address: _____

Profession: _____ Hobbies _____

Org. Membership: _____

Board Membership: _____

Please tell us about yourself. List your interest and past work with Africa if any. Use a separate sheet of paper to provide this information.

As a founding member of the Homeowners Association I will purchase at least one (1) 70' X 100' lot in the designation residential area of the SEV development for future home construction. I understand that the purchase price of each lot is currently \$15,000 but is subject to change. I will purchase my lot as follows (Please check one of the options below):

Outright purchase with cash or money order

I would like to purchase a lot using an installment plan that requires an initial down payment and equal monthly payments over a 7-year period. I understand that the installment plan carries an interest rate of 7% that will be factored into my monthly payment. I anticipate making a down payment of \$_____ USD.

I understand that founding members must contribute to the development and ongoing success of Sankofa Ecovillage. The contribution may include cash, labor, professional/technical services or other types of "sweat equity" that positively affect the physical or programmatic development of SEV. I will review the lists of skill sets on the next page and check the one that best describes what I can contribute. **I understand that by completing and signing this application I am expressing an interest in this project. I am in no way legally or financially obligated to purchase anything.**
